The pricing comparisons contained in this publication were conducted in April 2008.

Prices are generally at RRP (recommended retail prices) where available. Prices quoted are not promotion or pack prices.

Prices are obtained from either supermarkets (mainly Coles and Safeway in Melbourne), corporate product websites or online shopping websites.

Prices may vary based on location, retail outlet, online shopping websites or promotions.

All Melaleuca prices are in PC (Preferred Customer) prices and inclusive of GST.

Every attempt is made to use comparison products in similar package sizes.

For most products, cost per ml versus gram is used at a 1:1 ratio. This may vary from product to product, but overall, they are generally comparable if the product density is similar.

Every attempt has been made to represent competitor products with the correct brand name, size, weight and pricing. This can change even over the course of three months or may vary based on location.

This data places no judgement on the effectiveness or quality of the competitor products listed. It is simply a factual comparison at the time of printing using publicly available data.
